**Shantiniketan
Vidyalaya™**

Shantiniketan Vidyalaya is a CBSE Co-educational English medium, residential school. The school has been established to impart quality education and develop a comprehensive personality in the children. The purpose of education is the development of a totally integrated personality with positive, creative and responsive qualities. We follow the principle of Swami Vivekananda as quoted "We want the education by which character is formed, strength of mind is increased, the intellect is expanded, and by which one can stand on one's own feet". Our intention will always be to translate Swami Vivekananda's vision into reality.

CURRICULUM

The school offers the Central Board of Secondary Education (CBSE) curriculum which will enable the child to stand up to the demands of the increasingly competitive world of tomorrow. Integrated coaching in Science & Math which also covers the State Board curriculum is carried out in Grades VIII - X. Teaching at the school is not a routine activity. Instead, the best possible teaching methods (activity oriented) and advanced technological aids are used to create and sustain the interest of students. The curriculum and methodology enable students to achieve quality in thinking, perspective and analysis. The three R's taught to the students are not only reading, 'riting and 'rithmetic. In Shantiniketan, the three R's also stand for Respect for Elders, Renewal of Faith in oneself and Rejuvenation of Childhood.

LIBRARY

The library is the nerve center of any educational institution and more so in a residential school. The library has a rich collection of books, audio & video material on various subjects. The best possible journals and magazines are made available in the library. The teachers guide and motivate the students to develop reading habit. We make sure children reflect views on the book taken from library We have online school library

LABS

The school has a computer, arts, robotic and science lab managed by experts for the school students. The computer centre provides necessary computer training to the students on various subjects. Computers are used as one of the teaching devices to sharpen the knowledge of the students. And a specially designed art & Craft lab to help students in creative learning. Robotic lab helps the students in the futuristic learning Science lab helps students in practical learning and allows them to think beyond with the help of subject matter experts.

EDUCATIONAL TOURS

The school organizes educational tours to the places of importance. The students have been taken to Karnataka, Visakhapatnam, Kulu Manali, Dehradun, Shimla, Gantok, New Delhi, Rajasthan and Kerala. Local trips have also been organized to places like Ocean Park, Mount Opera, Ramoji Film City, Nagarjuna Sagar, Wonderla and Saraswati Temple at Basara. Student reports on the tours are often published in the Newspapers. Educational tour provides enough exposure to the students.

CO-CURRICULAR ACTIVITIES AND SPORTS

Today the School has won several prizes in Inter School competitions in National level especially in Group Dance, Karate (Martial Arts) Yoga, Essay writing, Flower arrangement, Singing, Skating, Swimming. Inter House competitions are conducted in Dance, Music, Elocution, Science Exhibition, Recitation, Quiz, Rangoli, Volley ball, Basket Ball, Football, Cricket, Cross country, Athletics etc. Our children participated in national and state level competitions who also won many medals.

PRINCIPAL'S PROFILE

The Principal of Shantiniketan vidyalaya is post graduate in English from Department of English, University of Pune and has done bachelor of education from English and Foreign Languages University, Hyderabad. He has diverse experience of working with renowned residential schools in Bangalore and Hyderabad. He is embodiment of values like discipline, honesty, respect, confidence etc. He believes that "kindness is the language that everyone understands" and he practices the same. Betterment of students is his first priority. His creative initiatives along with systematic planning, sporty spirit and kindness are inspiring many of the students and teachers.

Mr. Gungal Deepak Ratan

LOCATION

The school is located in a calm, serene, pollution free environment on an extensive 25 acre campus at Shamirpet, to the North of Hyderabad, close to outer ring road. It is 20 km from Secunderabad and 18 km from Jubilee Bus Station, Secunderabad.
